Funeraria y Crematorio Porta Coeli - February 10 at 10:11 AM

“ Of all of my father's sisters, I have always felt the closest to my Aunt Jean. She came to visit us in Iowa several times in the 1980s and I always looked forward to those visits. As she and her daughters Judy and Lori usually came during the summer months, we naturally tried to plan some fun activities, like going on a picnic at a nearby lake. I remember that day like it was yesterday. I believe the last time that she came to see us was in 1999, and it was just her and Luis that time. As I recall, Aunt Jean and I sat and talked for quite a long time during that visit. She was genuinely interested in what was going on in my life and I enjoyed listening to what she had to say. I finally was able to visit her in Orlando in May of 2016, and she, Luis and Lori made sure that we (my brother Greg and I) had a fun time! I had planned to visit her again last year, but then the pandemic hit. It was such a shock to hear of Jean's passing last Sunday. I know that her absence will be very difficult for all of us, but even more so for her immediate family. I hope that Uncle Luis, Judy, Lori, Timothy and Luis will find some comfort in their memories of her, as I do. I'm sorry that I won't be able to make it to the funeral, but know that I will be there in spirit.

“ I will never forget her visit to Iowa when I was a teenager. Even though we had never met, it felt like she had been around our whole life. The visit was way too short, but I am so grateful for the time we had. We will miss you Aunt Jeanie. May you now rest in God's loving embrace.
